Summary

Media and digital strategy leader with 10+ years of experience across global brands including P&G, Samsung, and Xiaomi. I specialize in driving full-funnel marketing performance, eCommerce growth, and media innovation.

Skilled in cross-channel planning (programmatic, search, social, mobile), 1P data strategy, and platform partnerships (Google, Meta, TikTok, MoMo, Grab). I've led award-winning campaigns, scaled automation (YouTube Autobid, Co-pilot), and negotiated multi-million-dollar media investments across traditional and digital channels.

Passionate about building high-impact, data-driven marketing strategies that connect with consumers and deliver measurable business results.
